

CLEO'S COINS

CLEO'S COINS is a 3x5, 20-line slot featuring an accumulation system with 5 pots that award fixed multiplier prizes when filled, along with retriggerable free spins. Filling the pots can also trigger the Bonus Wheel, where players can win random multiplier prizes or the Progressive Jackpot, which is additionally accessible by landing 3 Scatters on the reels.

Main game

The maximum total multiplier for one game round is 12321x.

Only the highest win per bet line is paid.

Bet line wins pay if in succession from the leftmost reel to the rightmost reel.

Wild substitutes for all symbols except the Coin and Jackpot Scatter symbols.

Any 2 symbols (except Coin and Jackpot Scatter) are randomly selected to appear in stacks with each new game.

Coin Collection Feature

When a Coin symbol appears, it will flip off to reveal a hidden symbol and fall into the collection pot beneath the respective reel. When a pot has collected 3 Coins, its associated feature will be triggered.

- Each pot under reels 1 & 5 awards 5x Total Bet
- Each pot under reels 2 & 4 awards 5 Free Spins
- Pot under reel 3 triggers the Bonus Wheel

The number of coins collected in all pots is unique to each bet size.

Bonus Wheel

Random awards (x Total Bet): 10x / 20x / 30x / 50x / 80x / 100x / 200x, 500x, or the 2000x Jackpot prize.

Progressive Jackpot

The Jackpot prize is awarded if 3 Jackpot symbols appear in reels 1, 3 & 5, or if the Bonus Wheel stops on the Jackpot wedge.

The Jackpot prize is unique to each bet size at 2000x Total Bet, plus 0.8% of every wager added to the respective total.

Free Spins

5 or 10 Free Spins are awarded from the collection pots.

Collection pots will reset when entering Free Spins. Any coins already collected from the base game will be stored until Free Spins has concluded.

During Free Spins, collecting only 1 coin will trigger a collection pot feature.

Since 3 coins can appear in a single reel, it means that 5x Multiplier will be awarded 3 consecutive times, 15 Free Spins will be re-triggered and all Bonus Wheel awards will be multiplied by 3x, including the Jackpot.
