

Overview

Harley SurPrize is a 3x3, 5-line slot featuring stacked symbols, re-spins, and a lucrative Bonus Wheel. Land matching stacked symbols on two reels to trigger a re-spin on the third. Collect diamonds to earn Bonus Wheel turns — up to 9 per game — with multiplier prizes of up to 1000x per turn.

Rules

Only the highest win per bet line is paid.

Wild substitutes all symbols except Diamond Scatter symbol.

If no win occurs but two reels show matching stacked symbols (including Wilds, but excluding Diamonds), the remaining reel will re-spin.

Each diamond awards one Bonus Wheel spin, up to a maximum of 9 spins per game.

Each spin can award one of the following multipliers of the Total Bet: 1000x, 500x, 250x, 100x, 75x, 50x, 40x, 30x, 25x, 20x, 10x, 7x, 5x, 3x, or 2x.
